

Rule 307

Fees for Air Toxics Emissions Inventory

- (a) Pursuant to the Air Toxics "Hot Spots" Information and Assessment Act as amended (California Health and Safety Code (H&SC) §§44300 et seq., hereinafter referred to as "the Act"), owners and/or operators of facilities subject to the Act shall be assessed a fee for the various components required by the Act.
- (b) The fee schedule shall be set by the California Air Resources Board (CARB) except that the Air Pollution Control Officer (APCO) may rebate a portion of the fees to active fee payers for the current billing year by a percentage based upon the availability of surplus in the special Air Toxics Fund which is reserved only for the implementation of the Act, pursuant to H&SC §44380.
- (c) The District shall send notification of fees due, payable within sixty (60) days. The District shall deduct administrative and implementation costs, and transmit the remainder of the fee to the State Controller.
- (d) If all fees due have not been received within sixty (60) days after the notice to pay such fees was received, the Executive Officer may assess a penalty of not more than one hundred percent (100%) of the assessed fee, and may take action to revoke all operating permits in accordance with H&SC §42307.
- (e) A Permit to Operate which is revoked for nonpayment of fees pursuant to subsection (d), above, may be reinstated by the permit holder upon payment of such overdue fees and accrued penalties.
- (f) Beginning July 1, 1997, and ending June 30, 1998, the provisions of this rule shall be superseded by the provisions of Rule 307.1 - Alternative Fees For Air Toxics Emissions Inventory.
